

The perfect home for families craving space and room to grow.

This timeless 2 story design offers all the space a family needs. With two living areas to enable family members to have their own relaxing space. The Wanaka features a full bathroom and separate toilet, plus three generous bedrooms, the master incorporating a walk-in-robe and luxurious ensuite. The ability to add on extra bedrooms in the loft area. This beautiful family home will be a joy to call your own.
